MESSAGE FROM THE PRESIDENT AND
CHAIR OF THE BOARD OF TRUSTEES

Here at Sacred Heart Schools, students age 1 to 18 are guided by the legacy of the Ursuline Sisters of Louisville and our Core Values of community, leadership, reverence and service. We are transforming lives through excellence in academics, leadership development, faith formation, arts exploration, athletic growth and accomplishment, and service outreach.

As an International Baccalaureate (IB) campus, Sacred Heart Schools is providing innovative, 21st century learning that is forward-thinking, future-looking and globally focused. Our IB classrooms are student-centered and promote collaboration, communication, critical thinking and creativity. At Sacred Heart Schools, we are making connections, exploring relationships between academic disciplines and connecting learning to the world outside our walls. This IB approach moves beyond awareness and memorization to engagement and action. Quite simply, our students are changing the world!

We closed out an amazing year in a position of strength and are looking to a prosperous future with highest-ever enrollment, financial stability and several exciting projects in progress and on the horizon. With confidence in the future, though bittersweet, I announced my plan to retire as President of Sacred Heart Schools next June.

During my time here we have streamlined the unification of five schools into one collaborative school district, constructed numerous innovative buildings including the Sacred Heart Model School Gym and the Ursuline Arts Center, redesigned and built the campus grotto, and most recently, partnered with the Ursuline Sisters on the transfer of all Ursuline campus property from the Sisters to Sacred Heart Schools.

Sacred Heart Schools' campus endowment grew from \$2 million to \$15 million, ensuring an Ursuline education is a reality for generations of future students and the legacy of the Ursuline Sisters continues.

Together we transformed Sacred Heart Schools to an International Baccalaureate (IB) world school district. What began with Sacred Heart Academy's IB World School status in 1997 has blossomed into a campus-wide educational approach to teaching and learning that is internationally recognized and benefits all students. I invite and encourage you to visit our beautiful 48-acre campus and see our world-class learning environments in action.

As the Board of Trustees works to find the next leader of Sacred Heart Schools, we will celebrate our success while carrying on with business as usual for the 2019-2020 academic year.

I am proud of our Sacred Heart community and all it does to support and empower each student and thank you for partnering with me for sixteen years of innovation in education.

With Gratitude,

Dr. Cynthia R. Crabtree
President, Sacred Heart Schools

Cindy has touched the lives of thousands of young people for over a decade. Our community is so much stronger for her leading us, and we will be forever grateful for her service.

A MESSAGE FROM THE VICE PRESIDENT FOR ADVANCEMENT

What a truly amazing time it is to be a part of the Sacred Heart Schools community. Our Board of Trustees, Dr. Crabtree, the Ursuline Sisters and school leadership have set forth bold and visionary goals for our campus and the Advancement Department is so proud to be able to assist with furthering the mission and vision.

For the first time EVER, our annual fund exceeded the \$1,000,000 mark, our dinner auction, Interlude, exceeded our goal and netted over \$300,000 and our total cash raised was a record breaker right at \$3,500,000. The impact of these gifts will be felt across every school, department, teacher and student.

Thanks to generous donors, like yourself, SHS is providing over 63 scholarships across our four schools and provides over \$1,400,000 in financial aid and assistance. These financial resources are making it possible for students wishing to receive a SHS education the opportunity to fulfill that dream, regardless of their socio-economic background. Our commitment to financial aid has helped our schools reach our highest ever recorded enrollment across campus and we are so grateful for each and every student.

Together we are changing the lives of many and leaving a lasting impact on the next generation. Just as all of us benefit from the community built by previous generations, the things we do now will leave a lasting impact on our current students and the Ursuline Campus for years to come. Thank you for your continued commitment to Sacred Heart Schools, and the legacy we are creating together.

Beth Clingaman
Vice President for Advancement

FUNDRAISING PRIORITIES

Annual Fund

The most important fundraising priority at Sacred Heart Schools is annual giving. All private schools, as well as colleges and universities, have annual funds. The Annual Fund is necessary to maintain Sacred Heart Schools' tradition of excellence and to keep tuition increases at a minimum. Be assured that your Annual Fund gift made to a specific school remains at that school and is not distributed to other schools on the Ursuline Campus.

The Annual Fund provides critical operating budget support and is used immediately by the school principal or administrator. It provides flexibility to respond to essential needs and new opportunities. These include:

- student financial support
- technology upgrades
- arts integration in the curriculum
- faculty recruitment, professional development and support
- annual improvements to classrooms, laboratories and other campus facilities

Interlude

Interlude is held annually in the spring and is Sacred Heart Schools' only campus-wide dinner-auction that families are asked to support. Proceeds from the fundraising event directly benefit the current year's operating budgets for Sacred Heart Academy, Sacred Heart Model School, Sacred Heart Preschool and Sacred Heart School for the Arts.

Endowment

The long-term stability and mission-driven values are assured from generation to generation through endowment. Although Sacred Heart Schools has distinguished itself as a premier Catholic school district, its endowment is significantly underfunded in comparison to the national benchmarks. This means fewer resources to devote to student financial aid, faculty recruitment and retention, and faculty professional development.

Sacred Heart Schools recognizes the need to increase the size of our endowment considerably to reach our long-term goal of \$25 million. As the endowment grows, more money will be available annually for financial aid, faculty recruitment and retention, and faculty professional development.

Student Scholarship/Financial Aid Opportunities: Endowed student financial aid will make a Sacred Heart Schools education possible for prospective families who would otherwise not be able to afford the tuition. It will also benefit current families who find their ability to afford an Ursuline education has changed. Without aid, they face withdrawing their child from Sacred Heart Schools due to unexpected financial hardship.

Professional Development and Program Endowment Opportunities: SHS has various faculty and program specific needs within the district: Sacred Heart Academy, Sacred Heart Model School, Sacred Heart Preschool and Sacred Heart School for the Arts. Endowed departments, STEM (science, technology, engineering, and mathematics) programs and arts opportunities are the difference between an average program and one that excels nationally.

Estate and Planned Gifts: Some donors wish to make gifts through their estate plans. A gift made through a bequest or estate is referred to as a planned gift. Any person who makes an estate plan which includes a Sacred Heart school is a member of the St. Angela Merici Circle. The Office of Institutional Advancement can provide estate and planned giving guidance upon request.

Capital Project: An intensive fundraising effort designed to raise a specified sum of money within a defined time period to meet the varied asset-building needs of an organization. SHS will embark on capital projects from time to time as the needs are identified and approved by the Board of Trustees.

ST. ANGELA MERICI CIRCLE

The St. Angela Merici Circle recognizes those who have designated a gift by will or bequest to Sacred Heart Schools or one of its four member schools. We have been informed of the following gifts by will, estate or trust. If you have recognized one of our Sacred Heart Schools in your estate plan and are not listed below, or would like to do so, please contact Beth Clingaman at 502.736.6467 or bclingaman@shslou.org.

The purpose of the Commander Kathy Murphy Endowment Fund for Sacred Heart Academy is to provide financial aid to a young woman who desires to attend SHA, is academically motivated, and because of financial challenges would otherwise be unable to attend the school. The scholarship would typically be awarded to a financially challenged incoming freshman, and would be renewed throughout her four years at SHA if she maintains the equivalent of a 2.5 grade point average (on a scale of 4, with 4.0 being the highest achievable score), and continues to demonstrate financial need. However, if the scholarship is not currently being awarded to a student who began at SHA as a freshman, it may be awarded to a sophomore, junior or senior who maintains a 2.5 grade point average and while attending SHA demonstrates financial circumstances such that she may be unable to continue at SHA without the assistance of the scholarship.

Sacred Heart
ACADEMY

Learners to Leaders

A MESSAGE FROM
THE PRINCIPAL

Dear SHA Alumnae, Parents, Families, and Friends,

Thank you for your commitment and dedication to ‘Dear Sacred Heart.’ Your generosity provides us, as administrators, the tools we need to help our Valkyries develop as academically enriched, strong women of great faith.

The 2018-19 school year was quite successful with 77% of the class on 2019 earning over \$24 million in scholarships to colleges and universities across the country. Two of our seniors were recognized by the National Merit Scholarship Foundation, seven were Governor’s Scholars, and three were selected for the Governor’s School for the Arts. The Valkyries won five state championships in swim and dive, lacrosse, tennis, soccer and field hockey. Our students performed beautifully in musicals, plays and as members of each of our three choirs, on campus and throughout Louisville and the United States.

The Sacred Heart Academy light shines throughout our community as our students serve others through more than 75 agencies, where they give of their time to help those in need. As principal I can say with great confidence that our students are some of the most reverent, respectful and integrity-filled young women in this city.

None of this would be possible without your generosity – as the funds raised through our Annual Fund and other fundraisers directly benefit the programs and opportunities that help to produce these compassionate and successful students. I pray each day that the light of the Holy Spirit fills your heart. Thank you for the blessing you are to Sacred Heart Academy.

With gratitude,

Mary Lee McCoy

Sacred Heart MODEL SCHOOL

Learners to Leaders

A MESSAGE FROM THE PRINCIPAL

Thank you! We sincerely appreciate your love, support, and prayers for the students and teachers at Sacred Heart Model School. It has been a fantastic school year, and we are grateful for your continued and unwavering support for what we do in providing world-class learning for world-ready leaders.

The most notable highlight of the school year was being named a National Blue Ribbon School of Excellence by the United States Department of Education. As we officially accepted the award on behalf of the students and teachers at SHMS, we could not help but think of the hard work, dedication, and investment of the entire Sacred Heart community for many years. We are beyond blessed by the good work of the Holy Spirit at SHMS.

The essence of a Sacred Heart Model School education relies heavily on the four Ursuline Core Values, with emphasis on **Community, Leadership, Reverence, and Service**. So ... thank you for believing in the power of an exemplary Catholic education and the impact it has on students who receive it. **Thank you** for honoring the tradition of Sacred Heart Model School's reputation for excellence. However, for the tradition to continue, there must be a solid investment in the future. You have invested in that future – which includes teachers with the most up-to-date training, resources to support students as our society becomes more globally minded and interconnected, and curricular programs that will allow our students to see the needs in our society and think critically about compassionate and fruitful ways to respond and deal with issues that arise.

We have been blessed with your generosity and you have entrusted your gift into our care. This gift benefits all the students who walk through our doors on a daily basis. On behalf of the entire SHMS community, and in the spirit of St. Angela Merici, we again thank you very much for your support!

Dr. Michael Bratcher

A MESSAGE FROM THE DIRECTOR

Dear Sacred Heart Preschool Friends and Families,

For over fifty years, Sacred Heart Preschool has provided outstanding learning opportunities for young children. Our enrollment continues to be healthy and our faculty retention is strong. We are educating Sacred Heart Schools' youngest students, inspiring a life-long love of learning by encouraging respect of self and others, self-confidence and independence. SHP instills in our children daily, the mission and core values of our Ursuline Sisters – *Community, Leadership Reverence, and Service*.

We give thanks to our friends and families for your continued support. It is through your generous gifts that we can provide the enriching opportunities for our students that allow them to grow from *Learners to Leaders*. We partner with Sacred Heart School for the Arts to bring the gift of the Arts to children. Research is clear in showing that providing children with exposure to the Arts accelerates brain development, including language, literacy, and cognitive abilities, and promotes self-esteem and creativity.

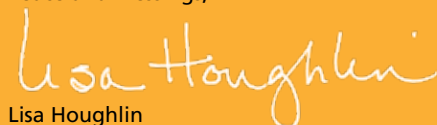

We have enlisted the support of Early Interventionists who provide strategies and professional development to support our faculty, students and families, both in and out of the classroom. Social Emotional growth is the foundation of lifelong success. Our Intervention Team meets daily to provide ongoing support, strategies and motor engagement, which is critical in the early years for children.

With your continued support, we retain the best and brightest faculty, offering competitive salaries and providing continued Professional Development opportunities for their growth. We are excited to welcome our authorization visit this fall to become an International Baccalaureate Primary Years Programme (PYP); making SHP the only preschool in our state that is part of an IB World School!

Our Ursuline Sisters continue to be a vital part of our program with each classroom adopting a Sister, with whom they share notes, prayers and visits. This special bond with our Sisters has taught our little leaders the joy of compassion and the power of prayer. We love our Sisters and the bond we have created.

Thank you for your continued support, and most importantly, for sharing your children with us. We know how precious they are!

Peace and Blessings,

Lisa Houghlin
Director

Sacred Heart
SCHOOL FOR THE ARTS

Learners to Leaders

A MESSAGE FROM THE
EXECUTIVE DIRECTOR

Dear Parents and Friends of Sacred Heart School for the Arts,

Thank you for your support of Sacred Heart School for the Arts. The 2018-19 school year was another successful year of engaging students of all ages in arts activities and performances. The SHSA faculty dedicated their time and energy to designing a diverse schedule that afforded unique opportunities to showcase the talent and creativity of our students.

All our young artists – from preschool to high school – showcased their talent, creativity and spirit through arts education. With more than 100 students, the Drama Department gave audiences entertaining shows from Beginner Drama’s “Kitty Cat Capers,” to Youth Drama’s “Chitty Chitty Bang Bang” and Sacred Heart Academy’s amazing performances of “Thoroughly Modern Millie” and “Steel Magnolias.” The music faculty participated in the orchestras and supervised their 90 students in harp, piano, violin, guitar and vocal recitals. The Dance Department presented the traditional “Nutcracker” for the Christmas holidays and a lovely rendition of “Beauty and the Beast” as their Storybook Ballet. Some of our youngest students displayed their visual art creations on themes for the Christmas holidays and the Kentucky Derby, and our Teen Art studio created ambitious artwork that involved multiple different mediums.

We are especially proud of the addition of a Prop Design Class that allows our older students to expand their toolkit in the theatre world while sparking creativity with engineering skills. Lastly, the addition of Masterclasses connected our young artists with professionals in the industry, and the collegiate level, and brought Broadway Stars to SHSA on five occasions! These experiences are invaluable and will be continued as we look to plan the future.

The administration and faculty guide the course for SHSA, and the students are the heart, but a grateful *thank you* goes to our many parents and friends who volunteer for various productions and shows. In addition, we wish to recognize the generous stakeholders who gave financial support to our annual fund. This fund provides the opportunity to purchase equipment and supplies that take our courses and productions from good to great.

As the 2018-19-year closes, SHSA continues to celebrate the 50-year legacy of arts in our community. The growth of the school over these years is evidence of the value placed on arts education on our campus! The vision of the Ursuline Sisters to educate the whole person is alive and well in the halls of SHSA.
